

TELFORD & WREKIN SCHOOLS' SPORTS ASSOCIATION TOURNAMENT - GIRLS BASKETBALL MATCH REPORTS

Year 9 Girls went to Burton Borough on Thursday 5th November 2009 to play in a 3 on 3 Basketball Tournament. Unfortunately only Pheonix School turned up, so we only had one game to play. The girls made an excellent start scoring 2 baskets in the first couple of minutes. Aimi Whitehouse, Ellie Hitchmann and Simone Sherwood played with great determination. They coped with playing a physically strong side and kept their calm. The final score was 22 – 10 to Idsall School. Well done girls.

Year 10 Girls had their tournament on the following Thursday at Burton Borough. This was well attended by schools in the area with Abraham Darby and Blessed Robert Johnson (BRJ) even bringing two teams. The girls had a slow start against Burton Borough, with neither side managing to score any baskets. Their next game against Pheonix, the girls made an excellent start, scoring within the first minute. Pheonix soon came back to score two baskets. Thomas Telford were far too skilful for the girls, and prevented us getting close to the basket to score, whilst they managed to convert two of their shots. Their last game against BRJ was challenging. Both sides were showing strong defense. It got quite tense and rough at times, but Idsall scored 2 baskets to equal BRJ's score. Unfortunately the time ran away with us and we had to leave (along with other schools) to get back to Idsall in time. The girls are looking forward to a friendly game against Thomas Telford.
