AT BROWN COACH SERVICE 2016-2017

The school aims to provide an efficient school service for our students who live in the Priorslee/Telford area and we currently operate 4 coaches to and from school every day. Please note that if we do not receive enough interest the coach numbers and pick up points could be reduced.

For the vast majority of the time, this service works effectively and efficiently but when occasional problems do occur it is important that parents and students know the routine to follow. Details of this routine are given below and you may find it helpful to keep this information readily available.

What to do if the coach fails to arrive

- Students must wait at the pick-up point for 15 minutes after the coach was due.
- If the coach does not arrive, the student is expected to return straight home and telephone the school (switchboard is manned from 8am - 01952 468400)

General

- Seat belts must be worn at all times
- Students must carry and show the driver a valid bus pass. No child will be allowed to travel without a valid bus pass.
- Students should be at their appointed stop at least 5 minutes before their pick-up times, coaches will leave the stop on time.
- If the coach fails to arrive, the school will contact the coach company and make arrangements for the students to be picked up as soon as possible.

Failure to comply
