

How can technology help revision?

Revision games and quizzes

BBC Bitesize

Bitesize

- Revision Notes – good if you are missing any lessons.
- Quick tests the students can use to check their understanding.
- Resources matched to exam specification.

Memrise

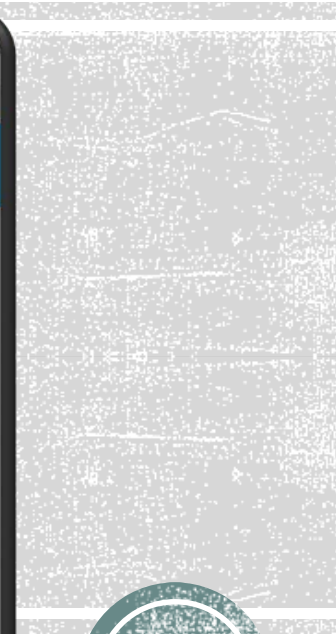

- Memrise – Fantastic tool for learning keywords.
- The software learns the words you are struggling with the most.
- You can set yourself daily goals.
- Compare scores with your friends.

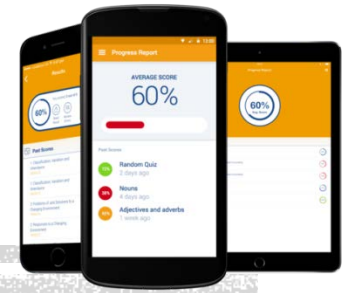

Memrise

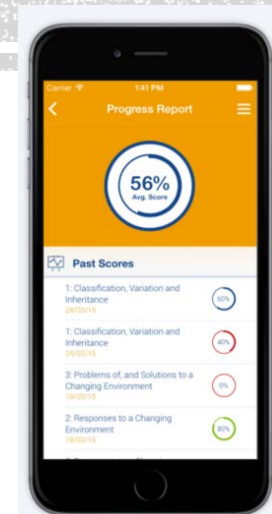

The screenshot displays the Memrise website interface. At the top, the navigation bar includes the Memrise logo, 'Home', 'Courses', 'Groups', and a 'Go Pro' button. The user profile on the left shows the name 'skettle', 'MEMDICANT', and statistics: 6 words learned and 3,148 points. A 'Streak Clock' indicates 6 hours and 15 minutes left to complete daily goals. The main content area, titled 'Recently learned', lists three courses: 'Edexcel GCSE core science P1' (5/117 words learned), 'Edexcel P3 Physics (The medical aspects)' (0/55 words learned), and 'Edexcel GCSE additional science P2'. Each course entry includes a 'Set a daily goal' button, a progress indicator, and 'Learn' or 'Review' buttons. The bottom of the screen shows a taskbar with icons for Google, GCSE, SIMS, Chrome, and PowerPoint.

Gojimo

- Gojimo – App and website that provides 100s of questions for many subjects. An explanation is given if you get a question wrong.
- Tracks your progress so you can see where you need to improve.

Padlet

- Free tool to create a virtual revision poster.
- Collect pictures, videos and websites all in one place.
- Work collaboratively with friends.

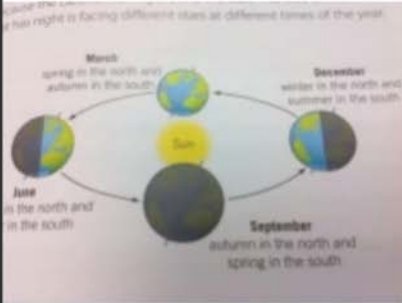

Revise 1 topic each and between a group of friends you can quickly have lots of revision resources.

Rotation around the sun

The stars that you see in the

Resistance

The relationship between voltage, current and resistance is called Ohm's Law

There are 8 types of energy they are

- .kinetic
- Heat
- Electrical
- Light
- Sound chemical
- Elastic potential
- Gravitational potential

Circuits

In a series circuit the energy only goes in one direction

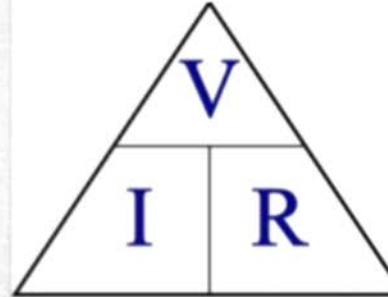

Voltage, Current and Resist

Harry

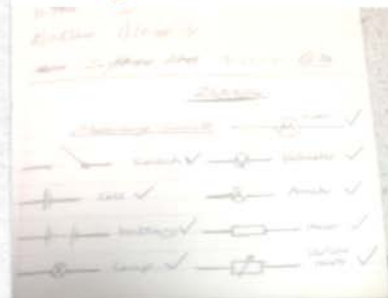

Forces can change the shape of objects and change the way they

Ohm's Law

Voltage=Current x Resistance

Modelling Circuits

Quizizz

- Timed revision questions.
- You have to sign up but then can set quizzes on tablets and phones.
- Collect reports of how you have done.

Quizizz

The screenshot shows the Quizizz website interface. At the top, there's a navigation bar with the Quizizz logo and links for 'Public', 'My Quizizz', 'Create', 'My Reports', and 'My Memes'. The user is logged in as 'gsummerhayes'. The search bar contains 'weimar germany' and shows '3725 results found'. The results are sorted by 'Most Relevant'. The first result is 'Hitler's Nazi Germany' by user 'adel21', which has been played 70 times and is suitable for 5th to 10th grades. A preview of 20 questions is shown on the right side of this result. The second result is 'Holocaust -Nazi Germany 33-39' by 'spynor', played 837 times, suitable for 5th to 10th grades. The third result is 'German numbers 0-20' by 'fraugeorge', played 110 times, suitable for K to University. The fourth result is 'German1' by 'trumpeter'. The Windows taskbar at the bottom shows the date as 18/10/2016 and the time as 16:43.
