Statement of Principle

The policy outlines the commitment of the staff, pupils and governors of Idsall School to ensure that equality of opportunity is available to all members of the school community. For our school, this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At Idsall School, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

Statutory requirements

The Equality Act 2010 has brought together all the current discrimination laws into one and sets out the “protected characteristics” that qualify for protection from discrimination as:

- Age (relevant in considering our duties as an employer, but not in relation to pupils)
- Disability
- Gender reassignment
- Pregnancy and maternity
- Race
- Religion or belief
- Sex; and
- Sexual orientation

Ethos and Atmosphere

- At Idsall School, the leadership of the school community will demonstrate mutual respect between all members of the school community
- There is an openness of atmosphere which welcomes everyone to the school.
- All within the school community will challenge any type of discriminatory and/or bullying behaviour, e.g. through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions
- All pupils are encouraged to greet visitors to the school with friendliness and respect
- The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored
- Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities

This policy applies to the whole school community.

Idsall is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We collect and analyse a range of equality information for our pupils/students. We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be.

The Senior Leadership Team receives regular updates on pupil performance information. School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying
- Parental involvement
- Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support and intervention as required, including pastoral support.

This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Idsall School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We recognise that students identified as having additional needs are particularly vulnerable. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

All applications are made via school application forms and contain relevant sections relating to equality.

Learning and Teaching

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement.

To do this, teaching and learning will:

- Provide equality of access for all pupils and prepare them for life in a diverse society
- Use materials that reflect a range of cultural backgrounds, without stereotyping
- Use materials to promote a positive image of and attitude towards disability and disabled people
- Promote attitudes and values that will challenge discriminatory behaviour
- Provide opportunities for pupils to appreciate their own culture and religions and celebrate the diversity of other cultures
- Use a range of sensitive teaching strategies when teaching about different cultural and religious traditions
- Develop pupils advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality
- Ensure that the whole curriculum covers issues of equality and diversity; All subject leaders' departments, where appropriate, promote and celebrate the contribution of different cultures to the subject matter
- Seek to involve all parents in supporting their child's education
- Provide educational visits and extended learning opportunities that involve all pupil groups
- Take account of the performance of all pupils when planning for future learning and setting challenging targets

There is a consistently high expectation of all pupils regardless of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

All pupils are encouraged to improve on their own achievements and not to measure themselves against others.

Parents are also encouraged to view their own children's achievements in this light.

- Teacher enthusiasm is a vital factor in achieving a high level of motivation and good results from all pupils
- Adults in the school will provide good, positive role models in their approach to all issues relating to equality of opportunity
- We place high emphasis on the provision for special educational needs and disability.
- We will meet all pupils' learning needs including the more able by carefully assessed and administered programmes of work
- We provide an environment in which all pupils have equal access to all facilities and resources
- All pupils are encouraged to be actively involved in their own learning
- A range of teaching methods are to be used throughout the school to ensure that effective learning takes place at all stages for all pupils

- We recognise that perpetrators may also be victims and require support.
- Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community
- Emphasis is placed on the value that diversity brings to the school community rather than the challenges

Staffing and Staff Development

Through Idsall School Single Equalities Policy we recognise the need for positive role models and distribution of responsibility among staff:

- This must include pupils' access to a balance of male and female staff at all key stages where possible
- We encourage the career development and aspirations of all school staff
- It is our policy to provide staff with training and development, which will increase awareness of the needs of different groups of pupils
- Access to opportunities for professional development is monitored on equality grounds

Staff Recruitment

- All those involved in recruitment and selection are trained and aware of what they should do to avoid discrimination and ensure equality good practice through the recruitment and selection process
- Equalities policies and practices are covered in all staff inductions
- All temporary staff are made aware of policies and practices
- Employment policy and procedures are reviewed regularly to check conformity with legislation and impact

Note:

Under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role. An aided school may be able to rely on this for some roles in school, particularly those roles that provide spiritual leadership.

However this would not apply for all staff in School. In addition, there are also instances in which a job will qualify for a genuine occupational requirement on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

- All members of the school community have a responsibility to treat each other with respect, to feel valued, and to speak out if they witness or are subject to any inappropriate language or behaviour
- We will take steps to ensure all visitors to the school adhere to our commitment to equality

Idsall School will ensure that we buy services from organisations that comply with equality legislation. This will be a significant factor in any tendering process.

This policy will be evaluated and monitored for its impact on pupils, staff, parents and carers from the different groups that make up our school. An action plan will be published to enable an impact assessment to be undertaken at the appropriate time within a given timescale.

Our equality policy and action plan is available on our school website.

We are legally required to report annually on our progress and performance in respect of our policy covering ethnicity, disability and gender.
